The **Cradle™** Baby Bowl was developed in collaboration

with the labor and delivery nursing team at St. Joseph's in Baltimore, Maryland. The hospital needed a solution that was integrally mounted, seamless and provided the proper ergonomic support for a newborn. ASST created a design for St. Joseph's utilizing our patented thermoforming technologies that not only satisfied their needs, but has also provided a product solution for other hospital systems nationwide.

LENGTH X WIDTH X DEPTH

23-13/16" L. X 16-1/16" W. X 4-3/4" D.

Advantages:

- Superior design utilizing ASST's patented technologies.
- Fabricated from nonporous, seamless solid surface material.
- Durable, stain-resistant and easy to clean.
- Bowl does not support the growth of micro-organisms.
- Nontoxic, no off gassing.
- **Available in DuPont® Corian (Group A) Colors: Glacier White, Cameo White and Bisque.**

Sink drain hole is nominally 1-3/4" diameter and will accept all standard vanity drain hardware.
